SOUTH DAKOTA
RENEWABLE ENERGY
ASSOCIATION

# MEMBERSHIP

## BENEFITS & RATES

SoDak Renewables brings together industry leaders, businesses, institutions, and advocates to share knowledge, strengthen partnerships, and support a reliable voice for renewable energy across the state.

***Connect with the people and organizations advancing renewable energy in South Dakota!***

### CLASS 4+ | $10,000 ANNUALLY

Premier membership for organizations seeking deeper access and relationship-building. Includes all Class 4 benefits, plus:

- **AN EXCLUSIVE NETWORKING EXPERIENCE WITH TWO ASSOCIATION BOARD MEMBERS:** Senior industry executives — built around a guided hunt, fishing outing, golf round, or working session. For up to two guests from your organization.*
- **TWO NEWSLETTER AD PLACEMENTS INCLUDED:** submit an advertorial or display ad for the monthly member newsletter.

### CLASS 4 | $4,000 ANNUALLY

For large organizations, companies, and developers seeking an active leadership role in South Dakota's renewable energy community.

- **GUARANTEED SEAT ON THE BOARD OF DIRECTORS.**
- **FEATURED MEMBER LOGO:** Your logo in the newsletter's rotating Featured Member section, at least once per quarter.
- **NEWSLETTER AD ELIGIBILITY:** Purchase advertorial or display placements, from $750. Available only to Class 4 and above.

### CLASS 3 | $2,000 ANNUALLY

For established and mid-sized organizations ready to deepen their industry involvement.

- **ELIGIBLE FOR ELECTION TO THE BOARD OF DIRECTORS.**

### CLASS 2 | $500 ANNUALLY

An entry point for individuals and small businesses that want to support renewable energy.

- **ELIGIBLE FOR ELECTION TO THE BOARD OF DIRECTORS.**

## MEMBER BENEFITS

**EXCLUSIVE RESOURCES:** Stay informed with industry reports, policy updates, and educational materials.

**EVENTS:** Participate in member events, workshops, seminars, and other opportunities to learn and collaborate.

**NETWORKING OPPORTUNITIES:** Build relationships with industry leaders, policymakers, and fellow renewable energy advocates.

**ADVOCACY SUPPORT:** Engage in policy discussions with guidance, resources, and a coordinated industry voice.

**CORPORATE MEMBER VALUE:** Corporate members can strengthen brand visibility, pursue collaborative opportunities, and contribute to policy discussions affecting South Dakota's renewable energy industry.

**All members receive access to member resources, events, networking opportunities, advocacy support, and committee participation opportunities.**

*Experiences are selected from available options and subject to availability and scheduling.

Ad placements are distributed by the Association; member contact lists are not shared. Full benefit details online.
